Description

A bright and functional three-room apartment of 96 sq. m. is available for rent in the White Park residential complex! It's an ideal solution for those who appreciate the aesthetics of modern housing and the well-developed infrastructure of the Left Bank district.

Thoughtful space: Layout: spacious rooms with access to two glass balconies. Double-sided windows provide excellent sunlight and natural ventilation. Visually, the apartment feels spacious and has high ceilings.

Interior: The apartment is fully furnished and ready for occupancy.

Technical equipment: Kitchen set with built-in appliances (dishwasher, oven). A water heater is installed for complete autonomy in the summer.

About the residential complex: The White Park residential complex offers a modern standard of safety and comfort. A noble entrance area with concierge services is available. Secure underground parking is available (a parking space can be rented).

Location and surroundings: The building is located in an ecologically clean area with excellent infrastructure. Transportation: Just a 10-12-minute walk to the Belomorskaya metro station. Convenient access to Leningradskoe Shosse.

Shopping and leisure: Large shopping centers such as Neva and Extreme are nearby, and one of Moscow's best shopping centers, Metropolis, is a 10-minute drive away. For everyday shopping, VkusVill, Azbuka Vkusa, and Perekrestok supermarkets are nearby. Health and education: The renovated City Polyclinic No. 45,

private medical centers (CMD, Medsi), and leading area schools are all within walking distance. Environment: Nearby, Druzhby Park and the embankment of the Northern River Terminal are ideal places for walks and active recreation.
