Description

A stylish apartment is available for rent within walking distance of the Alekseyevskaya metro station—just a 2-minute walk! The area offers well-developed infrastructure: schools, kindergartens, clinics, shops, restaurants, OZON, Yandex, and Wildberries pickup points are all nearby, as well as a 24-hour Azbuka Vkusa and Spar store located just below the building. A clinic, beauty salon, cafe, and other amenities are also located right in the building.

The apartment is 40 square meters and is located on the 13th floor of a 15-story building. High 2.9-meter ceilings create a feeling of spaciousness.

The apartment has been custom-renovated by one of Moscow's top designers, who designed it for themselves. It has all the necessary furniture and appliances for a comfortable stay: air conditioning, a refrigerator, a dishwasher, a hanging projector, a washing machine, a mini-oven, and a microwave. The spacious 16 square meter kitchen is the perfect place for culinary experiments. The bathroom features a large shower stall, a backlit mirror, and ergonomic storage.

The windows offer views of Prospekt Mira, and after sunset, you can enjoy the lights of Moscow at night.

The building is in excellent condition and is equipped with two passenger elevators and one freight elevator. For added convenience, there's a garbage chute on each floor and a ramp. 24-hour security is available at the ground floor entrance. Access to the complex is via electronic cards, and there are video cameras throughout, ensuring your comfort and safety.
