Parking space **1 underground**

Description

Brigantina Hall Business Centre offers serviced offices in a distinctive building whose architecture echoes the silhouette of a two-masted sailing vessel. Full-height glazed facades ensure strong natural light throughout. Total office area: 2,600 sq m. The centre provides flexible configurations — open-plan spaces, private offices and breakout zones. Six fitted offices, 14 phone booths, 7 meeting rooms and 6 kitchen-diner areas are available. Workstation density runs from 5 to 6 sq m per desk; total capacity is 418 workplaces. Access is around the clock. The centre is managed via a mobile app: keyless entry, meeting room and desk booking, service requests and building news.
