Business Center "Barkley Plaza"

Кропоткинская ЦАО Moscow, Prechistenskaya naberezhnaya 17 Lot 9011

Description

The Barkley Plaza Business Center is a Class A business center in the Khamovniki district (Central Administrative District).

The complex is located at 17-19 Prechistsenskaya Embankment, 1.5 km from the Kremlin. The following metro stations are within walking distance: Kropotkinskaya (7 minutes), Park Kultury (10 minutes), and Smolenskaya (3 minutes). Convenient access to the Garden Ring and Ostozhenka is available.

The building was constructed in 2009 according to a design by architect Sergei Skuratov.

The business center features central air conditioning, combined ventilation, and modern engineering systems. Passenger elevators (including freight elevators) are also available. 24-hour security, video surveillance, an access control system, and a fire alarm system with fire suppression are also available. Underground parking is also available.

Offices occupy floors 1-4 of the building (with a separate entrance from Kursovoy Lane). The office space covers 8,600 sq m.

The complex features restaurants, cafes, boutiques, shops, ATMs, and a reception area with a designer interior. Nearby are the Cathedral of Christ the Savior, the monument to Peter the Great, the Crimean Bridge, the Tretyakov Gallery, and the Moskva River embankment.
