Business Center "Gorod Yakht"

Балтийская CAO Moscow, Moscow, Leningradskoe shosse 37k2 Lot 9014

Description

The "Gorod Yakht" business center is located at Leningradskoye Shosse 37k2 in the Voykovskiy District of Moscow's Northern Administrative Okrug. The Vodny Stadion metro station is a 10-15-minute walk away, and the Baltiyskaya metro station is also nearby. Its convenient location on one of the city's main transportation arteries provides quick access to the city center and other districts.

The building comprises three office floors with an efficient layout that allows the space to be adapted to business needs. The office spaces are equipped with combined ventilation, central air conditioning, modern engineering systems, and fiber-optic communications. The building has 24/7 access, security, video surveillance, and access control systems.

The business center is located on the shore of the Khimki Reservoir, adjacent to a yacht club with a marina and berths, creating a unique business atmosphere. On-site amenities include a fitness center, spa, swimming pools, and a restaurant. Supermarkets, pharmacies, cafes, and ATMs are located in the area. For motorists, there is a two-level underground parking.
