Automated utility management from a single control room. 24-hour security, video surveillance, and access control with passes. Underground and surface parking are available.

The lobby features a reception desk, ATM, payment terminal, minimarket, and newspaper stand. The area offers numerous cafes, restaurants, shops, theaters, and banks. Nearby are the Metropol, National, and Marriott Royal Aurora hotels, the Central Department Store (TSUM), GUM, and Petrovsky Passage, the Okhotny Ryad and Moskva galleries, and the Bolshoi and Maliy theaters.
