Business center "Severnoye Siyaniye"

Савёловская CAO Moscow, ulitsa Pravdy 26 Lot 9013

Description

A class A business center in Moscow's Begovoy district, 600 meters from the Savelovskaya metro station, approximately a ten-minute walk away.

This five-story building, built in 2006, covers 37,815 square meters and features panoramic windows and porcelain stoneware facades. It features a striking design, automated control systems, and fiber-optic high-speed internet. It is equipped with ventilation, air conditioning, sprinkler systems, and nine silent OTIS elevators.

Security is ensured by 24-hour security, video surveillance, and access control systems. Offices from 177 square meters and floors up to 3,517 square meters are available, all with European-quality renovations and are ready for occupancy.

Savelovsky Railway Station is nearby, and Belorussky Railway Station and Sheremetyevo Airport are a three-minute drive away.

The building features a multi-level underground parking garage with 233 spaces and an above-ground parking garage with 74 spaces. The building houses a cafeteria, cafes, restaurants, a shopping area, and bank branches. The Savelovsky Shopping Center, with its shops, bank branches, cafes, and pharmacies, is nearby. Large holding companies are among the tenants.
