Business Center "Tsvetnoy Boulevard 30"

ЦАО Цветной бульвар ЦАО Moscow, Tsvetnoy Boulevard 30s1 Lot 9004

Description

The Tsvetnoy 30 Business Center is a business center with serviced offices in the format of ready-to-use workspaces.

The building was designed by architects M. A. Modorov and N. V. Lukin in the constructivist style. The offices occupy a separate two-story building with their own entrance. During the design, special attention was paid to the functionality of the work areas, sunlight, landscaping, and the creation of soft relaxation areas.

The Tsvetnoy 30 Business Center is located in the center of Moscow, a 2-5-minute walk from the Tsvetnoy Bulvar metro station, and the Trubnaya and Sukharevskaya stations are also nearby. The building is 100 meters from the Garden Ring, and less than 4 km from the Third Transport Ring.

The business center features a café/canteen, secure parking (50 spaces), ATMs, 24-hour video surveillance, and access control. Within walking distance: cafes, restaurants, banks, supermarkets, pharmacies, fitness clubs, Tsvetnoy Bulvar Square, Tsvetnoy Shopping Center, Nikulin Circus, and the Obraztsov Puppet Theater.
