Business center "White Square"

Белорусская ЦАО Moscow, Lesnaya ulitsa 5 Lot 9012

Description

This Class A multifunctional business complex in the Tverskoy District of the Central Administrative District is located near the Belorusskaya metro station and Belorussky Railway Station. It offers convenient transportation access – just a three-minute walk away, with quick access to Leningradsky Prospekt, the Kremlin, and Sheremetyevo Airport.

The complex occupies approximately 104,000 square meters. The design was developed by ABD Architects and their Polish colleagues. The facades are clad in natural stone, and the panoramic windows are tinted.

The buildings feature two-level atriums, lounge areas, and reception desks. The complex is BREEAM-certified and equipped with automated management systems.

Offices of various sizes are available, primarily units and open-plan spaces starting from 200 square meters, with ceilings up to 3 meters high. On-site amenities include restaurants, coffee shops, supermarkets, banks, a pharmacy, a dry cleaner, and a bakery.

The grounds are protected by modern video surveillance and access control systems. The complex includes a three-level underground parking garage with 840 spaces.
