Cottage settlement "Znamenskiye Prostory"

Moscow, Znamenskiye Prostory cottage settlement, Odintsovsky urban district, Moscow region, Russia

Description

This premium-class gated cottage community, "Znamenskiye Prostory," is situated in a prestigious location within the Odintsovsky urban district, adjacent to the settlement of Gorki-2, just 14 km from the MKAD along the Rublyovo-Uspenskoye Highway. The settlement is enveloped by a picturesque pine forest, ensuring exceptionally clean air and stunning natural surroundings, with the Moscow River flowing nearby at the foot of a gentle hill. The perfect balance of seclusion and proximity to urban conveniences makes this location highly attractive for those who appreciate country living without sacrificing city comforts.

For motorists, the commute to the MKAD takes approximately 20–25 minutes via the Rublyovo-Uspenskoye Highway, while reaching Moscow City typically requires about 45–50 minutes, depending on traffic conditions. There is also convenient access to the Northern Bypass of Odintsovo, which originates from the Third Transport Ring near the Moscow City area. Public transportation is not available in the immediate vicinity, as the community is primarily designed for car owners seeking privacy and independence.
