Description

A unique apartment with a total area of 66.5 sq m is for sale, featuring two balconies and breathtaking views from the windows overlooking Pokrovka and Red Square, which is just a 10-minute walk away, as is Zaryadye Park. All infrastructure — schools, kindergartens, shops — is within walking distance, and the neighbors are respectable. The apartment has undergone European-quality renovation and is equipped with all necessary high-quality appliances in perfect condition, a modern bathroom, two separate rooms, one passage room, and a kitchen-dining room.

The building was constructed in 1929 and is known for its reliability and durability. Major renovations have been carried out, including roof and utility system replacements. There is a passenger elevator and a garbage chute. High ceilings (3.2 meters) create a feeling of freedom and spaciousness. The living area is 45 sq m, the kitchen is 5.4 sq m. The windows face both the street and the courtyard, providing excellent natural light. The two balconies can be used for relaxation or storage. Thanks to the European-quality renovation, you can move in immediately and enjoy the cozy atmosphere.
