Description

Presenting a stunning apartment in the prestigious Dvoryanskoye Gnezdo residential complex, featuring a Project of the Year interior in sophisticated beige and wood tones, crafted from the finest materials.

The layout is a masterpiece of thoughtful zoning, divided into two independent wings — the master quarters and the children's/guest wing — ensuring complete privacy for all residents. With ceiling heights of 3.1 metres, the master wing comprises a kitchen-dining area, a living room with a wood-burning fireplace, a study with its own fireplace, two master bedrooms with en-suite bathrooms and walk-in wardrobes, plus a guest restroom. The children's wing offers its own kitchen-living room, three bedrooms each with private bathrooms, a dressing room, a laundry room, and an additional restroom. Panoramic windows frame breathtaking views of Arbat and the iconic spire of the Russian Ministry of Foreign Affairs.

Residents enjoy a secure courtyard-patio with a fountain and colonnades, a wellness club featuring a swimming pool and gym, a meeting room, 24/7 concierge service, and underground parking.

The location is second to none: set in the quiet lanes of the Golden Mile, with Arbatskaya, Smolenskaya, and Borovitskaya metro stations nearby, plus convenient access to the Garden Ring and Novy Arbat. Fine dining, luxury boutiques, and cultural venues are all within easy walking distance.
