

Residential complexes

## Residential Complex Onegin

Moscow, Moscow, ulitsa Malaya Polyanka, 2

---

## Description

**The complex, built in 2007, is a gated territory with several buildings styled after the historic 19th-century architecture of Zamoskvorechye, using natural stone, wood, and wrought-iron elements. The total number of residences is 130.**

### **Features and Layout:**

- Apartment sizes: from 70 to 440 sq m.
- Ceiling height: 3.2 m (in standard apartments), 3.4 m and higher (in penthouses).
- Highlights: The upper floors feature penthouses with winter gardens, fireplaces, and access to an operable roof with panoramic views of central Moscow.
- Apartments are located starting from the 3rd floor.

### **Infrastructure and Services:**

- Secured gated territory with video surveillance and 24/7 concierge in every entrance.
- Two-level underground parking with 250 spaces, a car wash, and a silent elevator to the building.
- Private fitness club with a swimming pool, sauna, hammam, and gym.
- The ground floors feature shops, beauty salons, and offices.
