Description

"Angliyskiy kvartal" residential complex is located in the historic Zamoskvorechye district, near the Garden Ring. The Serpukhovskaya metro station is 800 meters away (an 8-minute walk), and Dobryninskaya, Tuskaya, Oktyabrskaya, and Shabolovskaya stations are also nearby. Buses and trolleybuses stop on Mytnaya and Lyusinovskaya ulitsa. The proximity to the Garden Ring (1.5 km) and the Third Transport Ring (2.5 km) ensures a favorable environment.

Schools No. 1257, No. 553, and No. 1546, kindergartens, supermarkets (Azbuka Vkusa and Perekrestok), and the Dobryninsky department store are all within walking distance. The Morozov Children's Hospital, the Vishnevsky Institute of Surgery, and theaters (the Teatrium on Serpukhovka and Gradsky Hall) are nearby. The private grounds feature gazebos, flowerbeds, benches, playgrounds, and dog walking areas. The ground floors house a café, a beer restaurant, a sports center, and beauty salons. There is also a two-level underground parking garage.

This gated complex, covering 4 hectares, includes 11- to 14-story buildings, each custom-designed. The facades, with columns, stained-glass windows, and panoramic glazing, are executed in an aristocratic style. The halls with relaxation areas are decorated with natural wood (designed by the Italian studio Interstudio). Ceilings are over 3 meters high and feature double-glazed windows. The upper floors offer views of the Kremlin, the Cathedral of Christ the Savior, or Sparrow Hills.

The grounds are fenced and equipped with a security system, a checkpoint, 24-hour video surveillance, concierges, and a security alarm. The entrances are equipped with video intercoms and silent OTIS elevators. All apartments are connected to a central air conditioning system, individual heat and cold metering, internet and cable TV.
