Description

The Riverdale Apartments apartment complex is located in the Danilovsky District of Moscow's, between the 2nd and 3rd Paveletskiy Proezds, near Paveletskaya Embankment. The building was constructed in 2016 according to a custom design by developer GLINCOM. It is an 8-story monolithic brick building with complex architecture, with residential apartments occupying the upper floors and commercial spaces on the lower floors, including offices, shops, restaurants, and beauty salons.

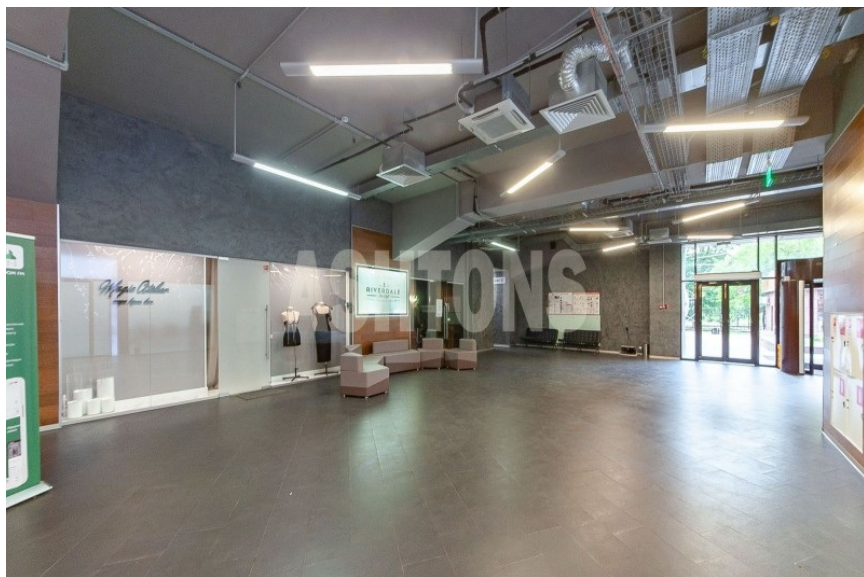

The architectural style is contemporary loft. The façades combine red brickwork with panoramic glazing, creating a clean, geometric design and a sense of spaciousness. The entrance areas feature an exclusive design, a reception desk, and private elevators for residents.

Amenities: Residents have access to a fitness center, 24-hour security, and video surveillance. Parking is available in the secure parking lot. On the ground floors and within walking distance are supermarkets, pharmacies, cafes, restaurants, beauty salons, and bank branches. Schools, kindergartens, and medical centers are nearby.

The location provides excellent transport accessibility: the Tuskaya and Paveletskaya metro stations are a 7-10-minute bus ride or a 15-minute walk away. The Third Ring Road and Garden Ring are a 3-5-minute drive away. The Paveletskaya Embankment on the Moskva River, Danilovsky Market, public gardens, and parks are within walking distance.
